Introductions For 1958

It is with considerable pride that we have selected the finest and most outstanding iris from among the many thousands of our own seedlings. Each of these offerings are a distinct improvement or completely different from known existing varieties. New color combinations, new forms, new heights in flower perfection, -- we embark upon this new year with a feeling of confidence, that you, too, will thrill to the pleasure of blooming these beautiful new additions to the beloved iris family.

We are equally proud to present to you a fine new iris from the garden of Jake H Scharff, Memphis, Tennessee. This fine, very vigorous red-brown iris received 29 Judges votes for H. C. Award in 1957.
